About the Marine Corps Scholarship

Marines make legendary sacrifices. Sending their children to school shouldn't be one of them.

That's why at the Marine Corps Scholarship Foundation we've been honoring Marines by educating their children for more than half a century.

Founded in 1962, The Marine Corps Scholarship Foundation is the nation's oldest and largest provider of need-based scholarships to military children. For more than 60 years, we've been providing access to affordable education for the children of Marines and Navy Corpsman attending post-high school, under-graduate and career scholarships that matter.
